

PEPE & TETE

Tennis & Spanish Camp, Spain

ABOUT

The camp is the perfect way to improve your tennis, discover a new culture, make new friends and improve your Spanish. It can be tailored for both advanced players and those that are new to tennis. The camp is based in Pilar de Horadada, a lovely town by the Mediterranean with stunning beaches for relaxation.

APPROACH

We ensure that students get extensive exposure to both hard and clay surfaces under the guidance of our experienced coaches. We deliberately limit the camp to a maximum of 5 students in order to create a conducive environment for learning.

Additionally, the Spanish tutoring focuses on conversational skills to ensure that students confidently immerse themselves into the local culture whether it's making friends, asking for things or simply narrating stories.

ACTIVITIES

A perfect blend of sport and lessons will be complimented by additional activities that will provide more opportunities to practise Spanish. Examples of available activities include sailing, day trips, baking and dance.

COACHES & TUTORS

Our professional coaches have extensive experience of working with students at all levels, while native speaking tutors will ensure that you get a good appreciation of the Spanish language.

ACCOMMODATION

We believe that the best way to learn the language and understand the culture is to live with native families. Our carefully selected families ensure that your child will have a safe environment to make new friends and practise their Spanish.

PRICES

We offer tailored packages depending on the activities selected. Once you get in touch, we shall design a tailored package for you based on your needs.

Sandra Aviles-Martinez

My name is Sandra. I am a trained teacher who has always been passionate about education, languages, travelling and discovering new cultures. My journey started in Spain where I worked as a tennis coach for 9 years. This period exposed me to an entirely different way of learning that focused on the application beyond the tennis lessons.

Starting Pepe and Tete in England provided me with the underestimated gift of meeting the world and its different cultures in one country. That's why Pepe and Tete is more than a language learning endeavor. It's also a fun experience that creates friendships across cultures.

We would love to make learning Spanish fun for you, so if you are interested in any of our Spanish programs, please get in touch.
