Spanish GCSE Learning Plans

OUR APPROACH

Pepe and Tete's approach to teaching Spanish is founded on two key principles.

To learn a language, one needs to appreciate its culture: No matter your level, we take every day as an opportunity to discover something new about the Spanish culture.

Conversation is the best way to learn, whether it's practicing with native speakers or role-plays, our tutors place strong emphasis on speaking as a way of mastering a language.

GCSE PROGRAMME

The GCSE programme has been designed to balance curriculum related learning as well as exposure to different aspects of the Spanish culture.

The online set up has been tailored to maximise interaction time with a native speaker in order to build confidence with role plays, speaking and interpersonal communication skills that are crucial for GCSE Spanish.

Whether, it's AQA, Edexcel or IGCSE Cambridge, we tailor the programme to the relevant exam board and select the topics that require the most attention. This is then complimented by tailored topics to explore Spanish culture which will help build on the student's vocabulary.

To cap it all off, students have an option to spend time in Spain for a full immersion experience during the programme (get in touch for details).

COMPARE LEARNING PLANS

“ My wife and I are both linguists. Our daughters have loved working with Sandra over the last few years because her courses provide the essential ingredients to achieving not only academic success in the Spanish language but also gaining confidence by socialising with native speakers, learning about every day Spanish culture and having good fun on the way. ”

Sandra Aviles-Martinez

My name is Sandra. I am a trained teacher who has always been passionate about education, languages, travelling and discovering new cultures. My journey started in Spain where I worked as a tennis coach for 9 years. This period exposed me to an entirely different way of learning that focused on the application beyond the tennis lessons.

Starting Pepe and Tete in England provided me with the underestimated gift of meeting the world and its different cultures in one country. That's why Pepe and Tete is more than a language learning endeavor. It's also a fun experience that creates friendships across cultures.

We would love to make learning Spanish fun for you, so if you are interested in any of our Spanish programmes, please get in touch.
