Learn Spanish with **Pepito**, our fictional learning character

Pepito is a lovely English boy who was born in Chertsey, Surrey but moved to Spain at an early age. He lives in a small village in the south of Spain called Pilar de la Horadada and loves travelling, making new friends and learning about different cultures.

Pepito makes the learning experience more fun by bringing to life various aspects of the lessons e.g. music, food and dance.

At Pepe and Tete, we make sure that learning Spanish at a young age is a memorable and engaging experience based on two principles i.e. creativity and fun. Therefore, if you are looking to add Spanish as part of your child's activities then please get in touch to find out more.
