Learn Spanish in a fun way

Introducing **Spanish Año for Companies** by Pepe and Tete

As per the name, Spanish Año is a dedicated 1 year programme for professionals looking to learn Spanish. The programme puts strong emphasis on conversation and practice as a way of mastering the language.

It consists of a weekly group lesson plus a monthly 1-2-1 conversation with a native speaker for each student. The programme can be tailored for different situations such as colleagues on a sabbatical, maternity leave or simply looking to bond by learning together.

Learning Spanish doesn't have to mean school or homework and at Pepe and Tete, we aim to make it a fun and memorable experience.

Please get in touch if you are interested or would like to find out more about learning Spanish with Pepe and Tete.
