

PEPE & TETE

Spanish Full Immersion Programmes

ABOUT

The Spanish Full immersion by Pepe and Tete is an exciting opportunity to learn/improve your Spanish while experiencing the Spanish culture in a natural setting. The programme ensures that participants practice Spanish while taking part in day to day fun activities.

LOCATION

The programme is based in the lovely town of Pilar de la Horadada that is situated in the southeast of Spain. With the Mediterranean Sea just 2 km away, the town has everything you need to have an excellent immersion. It has several restaurants, a fantastic sports center, lots of local shops, and a weekly market where you can meet very welcoming people.

Pilar is surrounded by interesting cities such as Murcia, Alicante and Cartagena so part of the experience involves visiting some of these vibrant towns to get a feel of the Mediterranean region.

Sandra Aviles-Martinez

My name is Sandra. I am a trained teacher who has always been passionate about education, languages, travelling and discovering new cultures. My journey started in Spain where I worked as a tennis coach for 9 years. This period exposed me to an entirely different way of learning that focused on the application beyond the tennis lessons.

Starting Pepe and Tete in England provided me with the underestimated gift of meeting the world and its different cultures in one country. That's why Pepe and Tete is more than a language learning endeavor. It's also a fun experience that creates friendships across cultures.

We would love to make learning Spanish fun for you, so if you are interested in any of our Spanish programs, please get in touch.
