

PEPE & TETE

Spanish Study Club

OUR APPROACH

Pepe and Tete's approach to teaching Spanish is founded on two key principles:

- To learn a language, one needs to appreciate it's culture: No matter your level, we take every day as an opportunity to discover something new about the Spanish culture.
- Conversation is the best way to learn: Whether its practicing with native speakers or role-plays, our tutors place strong emphasis on speaking as a way of mastering a language.

THE SPANISH STUDY CLUB

Whether you are a professional or an adult looking for something new to do, our Spanish study club offers a nice blend of fun and learning online. Our native Spanish tutors will immerse you into the culture and all its interesting aspects making your learning experience ever more interesting.

We use our unique programme "SPANISH AÑO" which is based on a family planning to relocate to Spain. In the programme, we explore all the different aspects of day to day life in Spain and use conversation role plays to practice vocabulary, grammar and other linguistic skills.

WE FOCUS ON KEY SKILLS SUCH AS...

CONFIDENCE WITH PRESENTATIONS

The study club ensures that all participants have numerous opportunities to practice oral presentation and addressing multiple people.

1-2-1 CONVERSATIONS

A monthly conversation with a native speaker offers the opportunity to experience day to day interactions in a Spanish setting.

If you are a company looking to add Spanish as part of your employee learning activities, we would love to chat on how we can create a tailored program for you.

Sandra Aviles-Martinez

My name is Sandra. I am a trained teacher who has always been passionate about education, languages, travelling and discovering new cultures. My journey started in Spain where I worked as a tennis coach for 9 years. This period exposed me to an entirely different way of learning that focused on the application beyond the tennis lessons.

Starting Pepe and Tete in England provided me with the underestimated gift of meeting the world and its different cultures in one country. That's why Pepe and Tete is more than a language learning endeavor. It's also a fun experience that creates friendships across cultures.

We would love to make learning Spanish fun for you, so if you are interested in any of our Spanish programs, please get in touch.
