

PEPE & TETE

Spanish for Companies

At Pepe and Tete we offer a variety of learning methods to connect you to a diverse global culture of more than 400 million Spanish speakers. Our tailored programmes not only broaden individual language skills but also strengthen team relationships in the work place.

WHAT WE OFFER

Age is no limit when it comes to learning one of the most spoken languages in the world.

A selection of services we offer...

GROUP CLASSES

The group classes allow employees to dip their toes into a new language / culture without a strict commitment that gets in the way of their work.

1-2-1 LESSONS

From beginners to advanced Spanish speakers, we offer the right balance of theory, conversation and practical situations to get you speaking Spanish.

SPANISH FOR FAMILIES

We offer learning packages for entire families irrespective of the level. Individual lessons are tailored to allow a fun and interactive experience for the whole family.

MATERNITY PROGRAMMES

We are very proud to offer a tailored maternity programme for mums and spouses looking to learn a new language during their time off with little ones. Our approach is based upon learning through conversations and daily home activities that allow both the mum / partner and child to pick up a new language while carrying on with day to day activities.

TIME OFF / FULL IMMERSIONS

Our full immersion is the perfect opportunity to enjoy your Spanish in a natural setting. Set in the South of Spain, our full immersion programme can be tailored for inland road trips, local experiences, interaction with locals or just simply taking some time to enjoy the Mediterranean Sea and unwind from work.

Our wide range of learning options
allows us to adapt to each individual
or company need.

Sandra Aviles-Martinez

My name is Sandra. I am a trained teacher who has always been passionate about education, languages, travelling and discovering new cultures. My journey started in Spain where I worked as a tennis coach for 9 years. This period exposed me to an entirely different way of learning that focused on the application beyond the tennis lessons.

Starting Pepe and Tete in England provided me with the underestimated gift of meeting the world and its different cultures in one country. That's why Pepe and Tete is more than a language learning endeavor. It's also a fun experience that creates friendships across cultures.

We would love to make learning Spanish fun for you, so if your organisation is interested in any of our Spanish programmes, please get in touch.
