Spanish for Parental Leave

## ABOUT US

At Pepe and Tete we offer a variety of learning methods to connect you to a diverse global culture of more than 400 million Spanish speakers. Our tailored programs not only broaden individual language skills but also strengthen active bonding with your little one through interactive learning activities.

## OUR APPROACH

We are proud to offer this tailored program for parents looking to learn a new language during their time off with little ones. Our approach is based on learning through conversations that allow both parent and child to pick up a new language while carrying on with day-to-day activities.

Our tutors have a background in childcare so they will not be afraid to help out if you need that second to make a coffee or take a quick shower while someone tends to the little one... all of course with your consent.

## OTHER FAMILY PROGRAMS

### **Spanish for Families**

We offer learning packages for entire families irrespective of the level. Individual lessons are tailored to allow a fun and interactive environment where the whole family can then get together to practice what they have learned. We adopt a flexible approach that ensures we fit within your family's schedule.

### **Family Full Immersions**

Our full immersion is the perfect opportunity for your family to enjoy your Spanish in a natural setting. Set in the South of Spain, our full immersion program can be tailored for inland road trips, local experiences, interaction with locals or just simply taking some time to enjoy the Mediterranean Sea and unwind from work.

*Sandra Aviles-Martinez*

My name is Sandra. I am a trained teacher who has always been passionate about education, languages, travelling and discovering new cultures. My journey started in Spain where I worked as a tennis coach for 9 years. This period exposed me to an entirely different way of learning that focused on the application beyond the tennis lessons.

Starting Pepe and Tete in England provided me with the underestimated gift of meeting the world and its different cultures in one country. That's why Pepe and Tete is more than a language learning endeavor. It's also a fun experience that creates friendships across cultures.

We would love to make learning Spanish fun for you, so if your school is interested in any of our Spanish programs, please get in touch.
