

# PEPE & TETE

Spanish for Children

## OUR APPROACH

At Pepe and Tete, we have developed a learning model for children that is centered around Pepito, a fun and engaging character who brings to life various aspects of the Spanish culture. The aim is for children to connect with Pepito making it easier for them to apply the new language to everyday situations.

Our approach is based on learning through conversations and thus a key aspect of the programme is connecting the children with a similar aged language buddy in Spain (obviously, all with the parents' consent and oversight).

## OUR LEARNING PLANS

- **Foundation:** Our entry plan maximises every weekly interaction with a focus on the fundamental language skills such as speaking, listening and grammar.
- **Semi-Immersion:** With at least three hours of learning per week, the semi-immersion plan attempts to re-create a learning environment of constant interaction with native speakers.

[See next page for more detail on each plan.](#)

# Introducing Pepito, our learning character

Pepito is a lovely English boy who was born in Chertsey, Surrey but moved to Spain at an early age. He lives in a small village in the south of Spain called Pilar de la Horadada with his mother who is Spanish and his father who is Ugandan.

Pepito loves travelling, making new friends and learning about different cultures around the world.

We use Pepito to bring to life various aspects of the lessons such as food, song, dance, art and games that make learning Spanish much more fun.

**Hasta pronto.**

*Sandra Aviles-Martinez*

My name is Sandra. I am a trained teacher who has always been passionate about education, languages, travelling and discovering new cultures. My journey started in Spain where I worked as a tennis coach for 9 years. This period exposed me to an entirely different way of learning that focused on the application beyond the tennis lessons.

Starting Pepe and Tete in England provided me with the underestimated gift of meeting the world and its different cultures in one country. That's why Pepe and Tete is more than a language learning endeavor. It's also a fun experience that creates friendships across cultures.

We would love to make learning Spanish fun for you, so if you are interested in any of our Spanish programmes, please get in touch.
